Ensure Your Success with SynsurancesM

Available exclusively from Synovia Solutions[™], Synsurance is an **all-inclusive**, **turnkey service plan** that represents the ultimate in customer protection. With Synsurance, there are **no upfront costs**, so you can start experiencing the safety, savings and service benefits associated with Synovia Solutions GPS tracking technology right away.

With Synsurance, You Get:

No Upfront Costs

With Synsurance, there is no need to delay the implementation of fleet telematics due to budgeting or appropriations hurdles because it costs absolutely nothing to get started.

Everything You Need to Track Your Fleet

Synsurance provides all that is necessary to begin using Synovia Solutions GPS tracking technology, including hardware, software, installation, implementation, maps, hosting, replacement spares and more.

A Comprehensive Hardware Warranty That Never Expires

Every Synsurance service plan comes with a hardware warranty that lasts the duration of your service agreement. If Synovia Solutions-supplied vehicle hardware fails to perform, you'll receive a replacement at no cost to you.

Exceptional, Highly-Accessible Customer Support

With Synovia Solutions, you can track your fleet using an intuitive dashboard, complete with unlimited access to live customer support, online training, educational videos and on-site assistance as needed.

Software as a Service (SaaS) Benefits

Because all Synovia Solutions GPS tracking tools are built on Silverlining[™], our user-friendly web-based SaaS platform, we host the entire solution for you. What's more, all software updates and upgrades are included.

Price Protection

Choose Synsurance and your service plan is guaranteed not to increase in price for the entire length of your service agreement. In addition, you will never pay any hidden or extra costs – guaranteed.

SYNSURANCE CONTINUED

99% Uptime Guaranteed or We Pay

Should you experience downtime relating to the functionality of your software, Synovia Solutions will get you back up and running within four hours or you will be credited one day's charge for your entire fleet*.

First Occurrence Fix or We Pay

Any support call you make related to Synovia Solutions software is considered a first occurrence until it is resolved. If the same issue requires another support call within the next 30 days, you will be credited one day's charge for your entire fleet.

2% Spares On Site With Spare Replacement Within 48 Hours

If a piece of hardware fails, you'll have the ability to replace it with a spare unit immediately. Afterward, just send us the defective unit and receive an additional spare within 48 hours.

Flexible Payment Options

Pay monthly, quarterly, yearly or pre-pay and receive a discount. Government entities can take advantage of special municipal terms that allow for the cancellation of a Synsurance agreement without penalty if necessary funds are not appropriated**.

Synsurance – the Simple, All-inclusive Solution

A highly scalable service plan, many Synovia Solutions' customers have found Synsurance to be self-funding within 90 days! Contact Synovia Solutions today to learn more.
